Dear families and friends of Quairading DHS,

As many of you already know, I have taken over here as Principal of Quairading DHS, from Ms Pauline Wray. Being asked and offered the top seat is an exciting opportunity for me, to look after and lead a school with such a long and well-established history. Of recent, I was Principal of Leonora DHS before coming to Quairading where I did the same, though I must admit it is nice to be closer to my children, of which I have two daughters. It has been a warm welcome to Quairading, with news travelling fast and everyone I meet saying a friendly hello. I look forward to the year ahead, and seeing what we as a leadership team can bring to the school. On that, we have two new Deputy Principals who will assist in the leadership of the school. Ms Kate Dowling will lead the primary school space and Miss Kimberley Bell who has just joined us, will lead the secondary team. We are still finding our feet, and how things have been done in the past, however, if you do need anything please do pop in to the school to say hello.

Talk soon,

Blake O'Halloran, Principal QDHS
