Week 1, Term 1 2022

Welcome back for 2022! We are looking forward to a calm, interesting and productive year of learning and growing.

We welcome new staff to our school:

Mr Jesse Mitchell who is our year 5/6 teacher. Mr Mitchell has experience in rural and remote communities and is very excited about the prospect of teaching in Quairading!

Miss Jordan Beason will be working across the school in Phys Ed and Digital Technologies and will be joining us later this week.

We welcome both of our new staff to our town and community and I know you will all make them feel very welcome.

Late in the year Mrs Truman accepted a position at Lake Grace DHS as Principal and we wish her very well there. As such, we are very lucky to have Mrs Willey stay on in the position of Deputy Principal for the time being.

Our 'Covid Safe Return to School' plans were published on our website prior to school starting this week, please feel free to peruse the documents. quairadingdhs.wa.edu.au In short, we are relying on Vaccinations, Masks, Personal Hygiene, Social Distancing, Heightened Cleaning and Ventilation to keep us safer from the spread of COVID-19. School is the best place for your child to learn.

They have trained teachers providing lessons and they will be around their friends.

We ask that if your child is unwell with cold or flu symptoms, please keep them home until they are well. If your child becomes unwell at school with cold/flu symptoms, we will bring them to the front office, give them a mask and they are to be collected as soon as possible.
