The Uniform Shop is run by P&C volunteers. We are open before and after every assembly (1.45-3pm). We are also open from 8.30am on the first day of each school term. Should you wish to order uniform outside of these times, complete an order from the Front Office and, together with full payment, drop it back to school. We will fill the order as soon as possible and send the items home with your eldest child.
